1. PPC-2019-EYSAL-096-RFP – Animal Feed

The PPC reviewed the submission provided by the project manager, Camille Stewart-Brown, and voted to approve this request.

2. PPC-2020-CICG-008-DA – Vessel Mid-Life Refit

The PPC reviewed the submission provided by the project manager, Robert Scotland, and voted to approve this request.

3. PPC-2020-CPI-009-DA – Oracle Maintenance & Support

The PPC reviewed the submission provided by the project manager, Opal Henry, and voted to approve this request.

The approval of this request was subject to the following condition:

Prior to requesting the consideration of the PPC for products related to this request in the future, CSD will develop a long-term procurement strategy to meet the needs of CIG that will include consideration for combining the purchase of the licenses with the maintenance and support.

4. PPC-2020-FSHA-010-DA – DITC IT System Supplement

The PPC reviewed the submission provided by the project manager, Peter Stafford, and voted to approve this request. This direct award (PPC-2020-FSHA-010-DA) is a supplement to a previous project (PPC-2019-FSHA-098-DA). PPC-2020-FSHA-010-DA was approved to avoid a national emergency related to our international obligations on tax cooperation.

The approval of this request was subject to the following condition:

The direct award to KirkISS in PPC-2019-FSHA-098-DA is to be reduced by KYD\$77,157.17.

5. PPC-2020-CPI-012-DA – Order of License Plates

The PPC reviewed the submission provided by the project manager, Tristan Hydes, and voted to approve this request.

The approval of this request was subject to the following condition:

Prior to requesting the consideration of the PPC for products related to this request in the future, the Ministry of CPI & DVDL will develop a long-term procurement strategy to meet the needs of CIG that includes the issuance of a Request for Information (RFI) to determine if other vendors may be able to meet this need in the future in an effort to avoid continuous direct awards.
