**Voting was conducted via email (round robin) between April 15 2020 and April 16 2020 and the PPC decisions for each item on the agenda is recorded below:**

**1. PPC-2020-MRCU-005-DA – Adapco (Insectide) Direct Award Request**

The PPC reviewed the submission provided by the project manager, Jim McNelly, and voted to approve this request.

The approval of this request was subject to the following condition:

*Prior to requesting the consideration of the PPC for products related to this request in the future, MRCU will develop a long-term strategy for the procurement of the products that will include undertaking a competitive procurement exercise.*

**2. PPC-2020-MRCU-006-DA – Clarke (Insectide) Direct Award Request**

The PPC reviewed the submission provided by the project manager, Jim McNelly, and voted to approve this request.

The approval of this request was subject to the following condition:

*Prior to requesting the consideration of the PPC for products related to this request in the future, MRCU will develop a long-term strategy for the procurement of the products that will include undertaking a competitive procurement exercise.*

**3. PPC-2020-NRA-007-RFQ – Dump Truck RFQ**

The PPC reviewed the submission provided by the project manager, Brian Chin Yee, and voted to reject this request. The project was rejected for failing to meet minimum regulatory requirements related to project documentation and evaluation.

**Termination of meeting**
